TEST STUDY MATERIAL:

A link to a practice exam can be found on the Sheriff's Website at <http://www.joinsdsheriff.net> and then click on 'Entry Level Practice Tests'. This practice exam is a version of the actual written exam used for this recruitment. Additionally, the public library, or local bookstores will have books and pamphlets on Entry Level Law-Enforcement examinations. Concentrate on improving your reading comprehension (i.e., reading a paragraph and answering questions based upon what you have previously read), a major factor in the written exam. After taking the written exam, former applicants have expressed that the reading comprehension part was not difficult, yet when these applicants received their score they were disappointed. Take your time. Read each question slowly. Choose the best possible answer. There are no trick questions on the written exam. There is no math on the exam.

PHYSICAL ABILITIES TEST: This will be the Peace Officer Standards Training (P.O.S.T.) Work Sample Test Battery consisting of five (5) separate, timed events: 6 foot solid wall climb, six foot chain link fence climb, 165 pound dummy drag for 32 feet, 99 yard obstacle course, and a 500 yard run. This is a pass/fail test where points are given for each event; most points are earned for completing event in less time. Applicants' total score must be 336 points to pass.

*****The Physical Abilities Test will not be given the same day as the written exam. As you proceed through the hiring process, your Background Investigator will notify you of your date for the Physical Abilities Test.***
